

Progress Review

Academic Term 2025-2026

Learner Name: Fatima Tabassum

Age as of December 31, 2025: 6 Year(s) 2 Month(s)

Grade: Grade 1 Ukiyo

Attendance: 56 Out Of 88

Facilitators: Saima Ahmed, Rahina Hussain

Date: December 31, 2025

English Language & Literacy

Fatima has a strong understanding of basic phonemic skills and can confidently break words into their individual sounds. She also demonstrates a good grasp of prepositions and other grammatical concepts, including nouns and opposites. In writing tasks, she often generates creative and original ideas and has begun using descriptive words to enrich her sentences. However, she sometimes needs support with spelling and the correct use of punctuations. Fatima can occasionally lose focus and requires gentle reminders to stay on task. Fatima can confidently read Heinemann Level 6 with ease.

Mathematics

Fatima has a strong understanding of the math concepts taught this term and completes her tasks independently with minimal assistance. Her ability to read instructions on her own supports her accuracy and confidence. Although she sometimes writes number reversals and rushes through her work, slowing down will help her improve neatness and avoid small errors. Fatima is good with all the math techniques practiced in class. With consistent focus, she will continue to excel.

Urdu Language & Literacy

فاطمہ زہین اور محنتی طالبہ ہیں۔ بھاری حروف، ہ کی اشکال، ی سے کی درمیانی آواز کی پہچان ہے۔ الفاظ کی توڑ جوڑ اور پڑھائی بہتر انداز میں کرتی ہیں البتہ جملہ سازی میں محنت درکار ہے جس کے لیے روزانہ کی بنیاد پر سادہ جملے بنانے کی مشق تھر پر جاری رکھیے۔

General Science

Fatima shows impressive clarity in understanding the science topics taught this term. She participates very actively in class discussions, shares her ideas confidently, and enjoys working with hands-on materials during experiments and activities. She asks for help whenever needed and engages thoughtfully with the learning process. Her curiosity and enthusiasm make her a delightful science learner.

Social Studies (We are the World)

In WATW, Fatima communicates her personal preferences and dislikes clearly, though she occasionally needs a little encouragement. She demonstrates a strong understanding of the different stages of personal growth and development and expresses her ideas with clarity. Fatima makes thoughtful comparisons between items used in childhood and those used today, showing a good awareness of societal and technological changes. She is also developing her mapping skills and is able to locate places using map symbols with growing confidence.

ICT

Fatima is a responsible student who always puts in her best effort. She uses the mouse accurately and performs well in typing exercises.

Deen Kids

Fatima shows a clear understanding of the topics taught this term. She participates well in the dua with actions at the start of every class. She shows interest in the lessons on the meaning of Surah Ikhlaas, The Creator, gratitude, the early life of Prophet Adam (A.S.), the early life of Prophet Muhammad (S.A.W.), and the Year of the Elephant. Her participation and focus have been steady throughout the term.

Art

Fatima actively participates in class through listening, helping, and engaging in discussions. He is a curious learner with an eye for creating visually striking works showing strong artistic skills.

Essential Curricular Activities (Modules)

In Music, Fatima shows excellent musicality and focus and sang beautifully in the PYP Grade 1 choir. She participates confidently and always puts forth her best effort. In Fit Kids, she is less active in participating in physical activities. In Taekwondo, Fatima is learning the basics steadily and demonstrates consistent effort. Her stretching and kicking skills are improving, and she is gaining better control in her punches. Practicing block movements at home will help her continue progressing in skill and confidence.

General Observation

Fatima is a bright and quick learner who approaches her work with genuine interest and diligence. She enjoys participating in classroom activities and expresses her ideas confidently. At times, she gets distracted and needs gentle reminders to stay focused, but with continued practice, she is learning to manage her attention better. With a little more patience and focus, Fatima's work quality and neatness will continue to improve. She is a capable child with wonderful potential—keep doing your best, Fatima!
